

1 would satisfy the bill.

2 UNIDENTIFIED REPRESENTATIVE: Okay

3 Does it surprise you that people -- that poll  
4 workers are already asking for photo I.D. despite  
5 the training that occurs? Does that surprise you?

6 ANN MCGEEHAN: We have heard that  
7 before, yes.

8 UNIDENTIFIED REPRESENTATIVE: Quite a  
9 bit. Even in the district that I represent we've  
10 got folks that are asking for photo I.D. currently.

11 A lot of people have been talking about a  
12 600,000 registered voter figure. These people --  
13 these are people who apparently registered without  
14 using some form -- either their Social Security  
15 number or a -- a driver's license number.

16 Isn't the use even bigger than that? I  
17 mean, I see a figure here that for people who did  
18 not register without a driver's license number --  
19 pardon me, for people who registered without their  
20 driver's license ensuring the figure is more like  
21 2.8 million.

22 ANN MCGEEHAN: That's true when you  
23 look at the entire voter database.

24 UNIDENTIFIED REPRESENTATIVE: This is  
25 your HABA-compliant database.

1 ANN MCGEEHAN: Right. But, you know,  
2 prior to January 1, 2006, you could register to vote  
3 without providing your driver's license or Social  
4 Security number. So people that were registered  
5 before 2006 may not have provided one of those.  
6 That doesn't necessarily mean that they don't have  
7 one, but they didn't have to provide one to get  
8 registered to vote.

9 UNIDENTIFIED REPRESENTATIVE: Well,  
10 we don't know whether they did or not, because it  
11 wasn't listed. Correct?

12 Have you all done a match to determine  
13 with the driver's license file as to whether these  
14 folks have driver's licenses or not?

15 ANN MCGEEHAN: Uh-huh. We've been  
16 asked to do that and we're looking at this to make  
17 sure that -- looking at the official list of voters  
18 in the Secretary of State's office, trying to  
19 compare that to DPS. And our IT Department is  
20 looking at that, trying to get good matching  
21 criteria, because without that unique identifying  
22 number of the TDL, it can be sometimes difficult to  
23 make sure you have the right match.

24 UNIDENTIFIED REPRESENTATIVE:  
25 Somebody came up and said there was 600 -- you have

1 that \$600,000 person figure. Where does that come  
2 from? Do you have a frame of reference for that  
3 figure that there were 600,000 people who did not  
4 list after [sic] driver's license number or Social  
5 Security number?

6 ANN MCGEEHAN: I think they're all  
7 coming from the same place, which that is -- and  
8 I -- you know, when we have shared information with  
9 the Legislature before, we've sort of shared two  
10 sets of information. One is -- that shows how many  
11 people have stated they don't have a TDL number or  
12 SSN number since January 1, because since --  
13 January 1, 2006, because since January 1, 2006, it's  
14 been required. So since that time, we show 34,506  
15 voters out of almost 4 million that stated they did  
16 not have I.D.

17 UNIDENTIFIED REPRESENTATIVE: Since  
18 2006?

19 ANN MCGEEHAN: Yes.

20 UNIDENTIFIED REPRESENTATIVE: And is  
21 there -- is there a provision -- provision in this  
22 bill to identify that use of voters as possibly not  
23 having I.D.?

24 ANN MCGEEHAN: I'm sorry. I didn't  
25 understand.

1 UNIDENTIFIED REPRESENTATIVE: So, I  
2 mean, if you're looking at possible uses of voters  
3 that may not have the requisite I.D. to comply with  
4 this bill, is there anything in the bill that would  
5 require you to identify those folks, seek them out,  
6 determine whether they have I.D. or not?

7 ANN MCGEEHAN: No, I don't believe  
8 so.

9 CHAIRMAN BONNEN: Okay. Let's  
10 talk -- we talked, I know, briefly about training of  
11 poll workers.

12 Under this bill, what new duties will poll  
13 workers perform, what new duties?

14 ANN MCGEEHAN: Let's see. Of course,  
15 the qualification process will change as far as what  
16 they will, you know, require of a voter before  
17 they're permitted to vote. I can't really think of  
18 any new. They -- if a voter doesn't have I.D.  
19 today, they vote provisionally. So that will be the  
20 same.

21 I guess the main change will be voters  
22 that have filed a disability exemption with the  
23 Voter Registrar. Those voters aren't going to have  
24 to show I.D.
